For an effortless rental transaction

How we help businesses like you

Introduction

The pre-tenancy process for many agents is typically highly manual, highly fragmented with multiple suppliers, and crucially does not look to optimise the Tenant experience.

Propoly creates a seamless end to end process, digitising the manual tasks involved to provide one consistent journey for the Tenant. By doing so - we reduce admin, automate compliance and generate revenue for the agent.

Automation

The platform has been integrated with all the tools and suppliers

needed to complete a tenancy within minutes. By automating, you can use these extra hours to grow the business to new heights.

Revenue Generation

One of the most important activities any business can engage in.

Just with 1-click, your process can now generate income from Rent Guarantees, Nil Deposit, Utility Switching, Void Management and Tenant Insurance.

Compliance

The lettings industry is governed by over 140 pieces of legislation. Propoly handles all the pre-tenancy compliance, making sure you comply to avoid huge penalties.
